

Nicholas Rynearson

Software Engineer | Full-Stack Developer

Brooklyn, NY | nrynearson@gmail.com | 212.380.8281 | [Github](#) | [LinkedIn](#)

I am a software engineer who loves problem solving and learning new things. Fifteen years as a professor of Greek and Latin taught me a lot about explaining complex ideas to beginners. I believe a better world is possible and technology designed to empower people can help us build it.

Skills

HTML, CSS, Javascript, React, NodeJS, Express, MongoDB, SQL, PostgreSQL, Ruby, Rails, Git, GitHub, Postman, Slack, Zoom

Projects

NYC Beach App A vanilla Javascript app that consumes third-party APIs to dynamically display information on city beaches and current weather conditions.

Tech stack: HTML, CSS, Javascript

tiny library A React app with full CRUD that creates catalogues for a neighborhood book sharing program with an Airtable database.

Tech stack: HTML, CSS, Javascript, React, Airtable

B-Side Collective A full-stack app for buying and selling vinyl on-line with full CRUD and user authentication; built on a team with two other engineers.

Tech stack: HTML, CSS, Javascript, NodeJS, React, Express, MongoDB, BCrypt, JWT

Art-Space A full-stack app with authentication that allows artists to create virtual shows for their work.

Tech stack: HTML, CSS, Javascript, React, Ruby on Rails, BCrypt, JWT

Experience

Software Engineering Fellow
General Assembly

Remote (on-line)
May 24 - Aug 18, 2021

Full-time fellow in Software Engineering Immersive, a program focused on building responsive Javascript and React applications, including full-stack apps with Express/MongoDB and Ruby on Rails.

Visiting Assistant Professor
Department of Classics, New York University

New York, NY
Sept 2019 - May 2021

Planned and taught Greek & Latin language courses and conducted research in Greek literature, philosophy, and intellectual history.

Assistant Professor
Department of Classics, University of Georgia

Athens, GA
August 2006 - June 2012

Planned and taught Greek & Latin language courses, advised undergrad and grad students, conducted research in Classics, organized events, and chaired Greek Curriculum and Outreach Committees.

Education

General Assembly, Remote (On-line)
Software Engineering Immersive Certificate

2021

Princeton University, Princeton, NJ
PhD Classical Philology

2006

Columbia University, NY, NY

BA Anthropology and Classics, *summa cum laude*

1997
